GAME 01 · GRAB & RUN

Heist Rush

Robbers raid the vault while the multiplier climbs. Escape with the cash before the police arrive.

- Up to 4 robbers per player, every round
- Multiplier from 1.00x up to 5,000x in 100 seconds
- Escape at any moment, or get caught
- The vault shows the money: full, half, empty

GAME 02 · GRAB & RUN

Budget Rush

Politicians grab the state budget while the money printer runs. Cash out before the auditors arrive.

- Same proven engine and math as Heist Rush
- Up to 4 politicians per player, every round
- Comedy theme with its own art, music and vault
- Higher bet range for bigger tables
